

FAMILY EVENTS

Ysgol Penyffordd Autumn 2018

What a busy first half term we have had so far!

We very much enjoy welcoming you into school and hope that you will be able to join us for some of our family activities this year. Please remember, all family members are welcome if parents are working and cannot attend.

By joining the children in school you are able to:

- Find out what your child is learning in a relaxed and supportive atmosphere.
- Spend some quality one-to-one time with your child.
- Get to know your child's teacher and other staff. We know that this helps family members to feel happier about approaching the school for advice.
- Build your knowledge and confidence to help your child with their education at home. This really makes a difference to your child's ability and confidence in school!

If you feel that you'd like to spend some regular time in school helping out, we'd be delighted. You can help by offering to listen to readers, accompany the children on trips or help us work in the garden. If you have a particular skill such as art or technology, then we'd love you to help with some of our projects.

If you think you might be interested, we'd just need to sort a DBS check, which can be arranged by contacting the office.

We look forward to seeing you soon,

Mrs. Jayne Mulvey

Headteacher
