

Ysgol Penyffordd
Annual Report 2021 - 22

Message from the Chair and Vice-Chair of the Governing Body:

Dear Parents,

It is with great pleasure that we present to you the Annual Report from the Governing Body; we hope you find it interesting and informative.

In the report we, the Governors, take the opportunity to summarise the responsibilities and activities of the Governing Body. Much of the life of the school and its achievements are listed in the report, and we hope that it will give you an indication of the caring and vibrant learning atmosphere provided at Ysgol Penyffordd.

The governors have a range of skills, backgrounds and perspectives; some are Ysgol Penyffordd parents and some have links to the community. We work very closely with the Head Teacher and the whole staff to ensure that Ysgol Penyffordd continues to offer the best education possible for your children. The Governors set and oversee various policies that reflect the school's practice and guide the school towards fulfilling its aims and objectives. Governors are involved in the life of the school, this involves attending meetings, monitoring teaching and learning, attending family engagement and governors in school sessions, meeting staff and children.

Ysgol Penyffordd benefits from the efforts of parents too, in many ways. In what are challenging financial times, we must thank the work of the Friends of Penyffordd School and their fund-raising efforts. We would also like to thank you, the parents and guardians, for your ongoing support of your children and the school.

It is undoubtedly the tremendous efforts of Mrs Mulvey and the entire staff, both teaching and non-teaching, which makes Ysgol Penyffordd such a special school.

We welcome your views and if you do wish to discuss any aspect of this report with me, or have any questions connected to our work as governors, then please contact us via the school office.

Mrs Erin King, Mrs Alex Trevor, Mrs Tiffany Shaw, Mrs Caroline Caine.

School Year 2021-22

The Governors meet at least once a term to carry out the routine business of the school.

Dates of meetings during 2021 / 2022 were as follows:

- 27th September, 2021.
- 22nd November, 2021.
- 17th January, 2022. (Meeting held virtually, via Zoom)
- 14th March, 2022.
- 9th May, 2022.
- 20th June, 2022.

In addition to the above, the Chair and Vice Chair of Governors frequently visit the school.

The main business of the Full Governors' termly meetings during 2021/2022 was as follows:

27th September, 2021.

- Election of Officers.
- Review of Sub-committees.
- School Improvement Priorities were outlined for the academic year.
- The role of the Governor was defined.
- Working groups were established based on the three innovation areas.
- Feedback was given on recent SYCOL training
- Dates for future meetings were set

22nd November, 2021.

- (Meetings of the three working groups preceded the formal meeting.)
- Expiring Terms of Office.
- Mrs Mulvey presented her Head Teacher's Report.
- Information was shared from the most recent Finance meeting.
- Proposal of informal governor 'drop-in' session in lieu of a formal Governors in School Day.
- Other business - Governing Body's approval sought for the installation of football pitch barriers, by Penyffordd Football Club.

17th January, 2022. (Meeting held virtually via Zoom)

- Governor vacancies - resolved and ongoing.

- Feedback was given on previous working group meetings.
- The Governor Induction policy - updated and approved.
- Mrs Mulvey reported on progress being made in school.
- The school extension was discussed- background information given and plans going forward.
- Outcome of a meeting held with Penyffordd F.C. with regard to barrier requirements.

14th March, 2022.

- (Meetings of the three working groups preceded the formal meeting.)
- Mrs Mulvey presented her Head Teacher's Report.
- Information was shared from the most recent Finance meeting.
- School extension update - consultation period, details of build process and concerns.
- Safeguarding Policy was discussed and ratified.
- Update given on the football pitch barrier and implications of the new build.

9th May, 2022.

- Update given on the football pitch barrier - need for formal permission from Flintshire County Council.
- Feedback was given on previous working group meetings.
- Mrs Mulvey updated governors on the School Improvement Plan and general events.
- Governors introduced to the Estyn Governors' Questionnaire - for completion.
- Governors fed back on their school visits. Future Governors in School Day confirmed.
- Annual Governing Body Report to Parents - completion requirements.
- Need for Governor Level 1 Safeguarding training.
- Review of statutory policies.

20th June, 2022.

- (Meetings of the three working groups preceded the formal meeting.)
- Mrs Mulvey presented her Head Teacher's Report.
- Presentation and explanation of The Curriculum Rationale document.
- Information was shared from the most recent Finance meeting.
- Health & Safety Audit findings.
- School extension update.
- Feedback from the Estyn Governors' Questionnaire - responses discussed.

Governor School links 2021 -2022

During much of the academic year 2021-22, Covid restrictions were in place. The Governing Body maintained meetings virtually, recommencing face-to-face meeting in the Spring term, 2022.

-Governors in School Day- Summer Term 2022

Governors also visited the school several times, as part of the school's self-evaluation process.

-Health and Safety / Risk Assessments visits occurred throughout the year
-Staff meetings - weekly, focused on curriculum development
-Review of policies- annually
-Family engagement days re-established - Summer Term 2022
-School Council meetings- annually, from Spring 2022, at end of Covid restrictions.
School Assemblies resumed at the end of Covid restrictions
Fund Raising events. FOPS (Friends of Penyffordd School) organised several fund-raising events, most of which were virtual in the year 2021-22. They worked with imagination and dedication to raise much-needed funds for the school.

School Improvement Priorities 2021 - 2022

The following priorities form the basis for the School Improvement Plan for the year 2021 - 2022. These priorities are set as a result of school self-evaluation and detailed data analysis, in particular, teacher assessment, discussed during regular pupil reviews.

1. SIP Priorities

The school continues to move towards the implementation of the new curriculum for Wales. In doing so, embedding in its ethos the core values:

- ambitious, capable learners, ready to learn throughout their lives
- enterprising, creative contributors, ready to play a full part in life and work
- ethical, informed citizens of Wales and the world
- healthy, confident individuals, ready to lead fulfilling lives as valued members of society.

Priorities for 2021-22:

Maths- the mastery approach

Developing a reading for pleasure school

Wellbeing - of pupils and staff, following the disruption caused by Covid.

Welsh

ICT

Additional Learning Needs

Pupils are taught in accordance with their Individual Education Plans. They are identified at an early stage and our staff are most vigilant about identifying any

additional need. Review Meetings are held during the year to discuss the needs and progress of each child and parents are also invited. The needs of pupils can be short term or longer term and can include emotional, social and behavioural needs as well as learning needs. More able and talented pupils can also have additional needs. We work closely with the Local Authority and other agencies to ensure the best provision for each and every pupil. Our ALN Governor is Clare Henrys.

ALN is currently undergoing a huge reform in Wales where the expectation is to transform expectations, experiences and outcomes for children and young people with additional learning needs (ALN). To do so, Welsh Government has developed the additional learning needs (ALN) transformation programme, which transforms the separate systems for special educational needs (SEN) in schools and learning difficulties and/or disabilities (LDD) in further education, to create a unified system for supporting learners from 0 to 25 with ALN.

The transformed system will:

- ensure that all learners with ALN are supported to overcome barriers to learning and achieve their full potential
- improve the planning and delivery of support for learners from 0 to 25 with ALN, placing learners' needs, views, wishes and feelings at the heart of the process
- focus on the importance of identifying needs early and putting in place timely and effective interventions which are monitored and adapted to ensure they deliver the desired outcomes.

Our ALNCo, Mrs Papper, is currently working on these new systems and procedures in school to ensure that Ysgol Penyffordd is following guidelines and providing the best provision for children with Additional Needs.

Welsh/Bilingualism

Bilingualism and the teaching of Welsh as a second language is a priority in Ysgol Penyffordd. All staff including Administration staff and MDSAs' are encouraged to support us in developing the use of incidental Welsh during all aspects of the school day. In

Foundation Phase pupils follow a scheme of work that supports the development of speaking, reading and writing of Welsh as a second language. The scheme is also supported by the daily 'Helpwr Heddiw' sessions. In KS2 Welsh is taught both discretely and as part of the topic cycle. Staff work with the Welsh Co-ordinator who is supported by Athrawon Bro to develop the speaking, reading and writing of Welsh as a second language.

Pupils with disabilities

The Disability Discrimination Act (DDA) 1995 defines a disabled person as one who has "a physical or mental impairment which has a substantial and long-term adverse effect on a person's ability to carry out normal day-to-day activities". This would include, for example sensory impairments affecting sight and hearing, learning disabilities, severe disfigurements and progressive conditions where impairments are likely to become substantial. Ysgol Penyffordd is an inclusive school that welcomes all pupils, regardless of needs and abilities.

School Accommodation, Toilets and Disabled Access

The accommodation is maintained thanks to our caretaker, Mrs A. Shenton. In Ysgol Penyffordd there are toilets allocated for both Foundation and KS2 pupils. Early Years have their own toilets. Foundation Phase have a set of boys' and girls' toilets and additional single toilets located beside the changing rooms. KS2 pupils have one set of boys' and girls' toilets available. All toilets are cleaned by School Cleaners in the middle and at the end of the school day. During the School Day the Headteacher and staff ensure the toilets are kept to a reasonable standard and the Headteacher has access to all cleaning equipment should the need arise. All toilet facilities are subject to a Health Safety check by the Health and Safety Committee and caretaker.

The school has full access for disabled pupils. We have an accessibility plan in line with the Disability Discrimination Act.

Reporting to Parents

Parents' Evenings are during the Autumn and Spring terms and detailed written annual school reports are sent to parents in July at the end of a school year. Our Autumn parent's evening was via School Cloud and the Spring one was face to face. New Nursery and Reception Induction Evenings were held for new parents in the summer term. This was well received. The school has an open door policy whereby parents are welcome to discuss their concerns with the class teacher or head teacher at a convenient time. Appointments are sometimes necessary according to teachers' commitments. Likewise, teachers often contact parents if there is anything to discuss, either by telephone or by speaking to them at the beginning or end of the school day.

School Prospectus

The prospectus is reviewed annually in the Autumn Term and copies are available on request.

Primary / Secondary Transition

Most pupils transfer to Castell Alun High School, Hope at the end of Year 6. Last year teachers communicated with Secondary school staff and children were able to attend transition days and information evenings.

Friends of Penyffordd School

The Governors wish to express their deep gratitude to the members of the FOPS committee who have worked tirelessly over the last year to organise fund raising events including the Christmas and Summer Fair, Film nights and several school discos. The committee meets regularly in school and all parents are most welcome to join them. Regular newsletters keep parents informed about events.

The money raised by the Friends this year went towards subsidising our school library. Every year resources for our pupils are boosted by the fund-raising efforts of parents. Thank you all.

After School Club- S4YC

After School Club is available for children from Reception to Year 6. It operates on a booking in service only and places can be retained.

Educational Visits and Visitors to the School

During the academic year 2021-22, this was limited, again, due to Covid restrictions. However, Technquest, Chester Zoo, and Dangerpoint were included in the list of visits and visitors.

Extra - Curricular Activities

The school provides opportunities for children to participate in a variety of activities which operate at lunchtimes and after school as part of a wider curriculum. This year these included Lego, Minecraft club, Ukulele, Coding and Choir.

Parking

This presents an on-going problem and concern. Governors would like to thank those parents who comply with the request not to drive in through the school gates and to park responsibly.

The School Day

School hours are from 8.55 am - 3.15 pm

Breakfast Club is from 8.05 am - 8.45 am

S4YC is open from 3.00 pm - 5.45 pm

Attendance

Whole School Annual Average = 93.0% *

Authorised Absences = 6.6%

Unauthorised Absences = 0.4%

*Absences were significantly affected by Covid.

We work hard to improve our attendance figures and work closely with the Inclusion Welfare Officer. Punctuality is very important and parents are contacted when necessary regarding this. We also ask that where possible, parents refrain from taking holidays during term time. Parents should always inform school of the reason for any absence either by telephone or a written message.

Finance

A school budget forecast statement for the financial year 2022/2023 is enclosed. Please ask for further explanation of the different headings on the print out if you so wish. In addition to this all money paid into school for items such as photos, trips, fruit and charity collections is held in the School Fund bank account and bills are paid by cheque. The School Fund Account is audited regularly. Dinner money is paid into a Flintshire County Council Account.

The Governing Body of Ysgol Penyffordd would like to thank all parents for their continued support. Please do not hesitate to contact governors regarding any query you may have.
