

## TEACHING AND LEARNING

### Maths

Strategic topic-planning with flexible use of Inspire Maths  
Investigate further training on Maths mastery and mental Maths  
Implementation of shared effective mental maths strategies  
Monitor standards in Maths and numeracy across the school  
Continuation and development of outdoor Maths and numeracy  
Record overview of AfL in Maths

### Literacy

#### Reading

Further develop reading for pleasure school  
Further develop pupils' non-fiction reading skills- investigate research and training  
Implement guided reading training and share good practice  
Complete review of reading scheme- supplement with new books  
Purchase and introduce new books for emerging independent readers  
Work with parents to realign home reading  
Parental engagement for reading- Neil Griffiths November 8th

#### Oracy and Writing

Maintain and monitor standards- refresh training

### Welsh

Achieve Cymraeg Campus Bronze Award

Improve effectiveness of Criw Cymraeg

Develop understanding of 'cynefin' - a feeling of being connected to Wales

Improve and extend use of incidental Welsh throughout the day - in all aspects of school life

Develop assessment in Welsh

### ICT

Implement new planning for ICT and the DCF - introduced Summer term 2022

Develop the use of Google for Education- training and development

Monitor ICT and DCF - create subsequent action points

Improve effectiveness of Digital Leaders - including use of the Childnet programme

Maintain broad, diverse and inclusive curriculum

Develop the role of the AoLE Lead

investigate, research and develop summative assessment procedures

## Wellbeing

Continue to evaluate and consult on staff and pupil wellbeing

Implement new PSE scheme

Consult staff on behavior management and monitoring

Create a wellbeing garden, with children

Expand range of extra-curricular activities, including clubs.

Continue to re-establish links with the community.

Maintain good practice in the consultation of pupils and developing their influence, particularly in shaping the curriculum.

Establish councils early September and build on success of last year.

Work with parents- share work on neurodiversity, developed by children and staff.

### Leadership and Management

Maintain and develop work of the SYCOL teams to ensure distributed and shared leadership.

Share success of staff and further develop the role of staff members through leadership opportunities.

Invest in training and action research approach to maintain school as learning organisation.

Create exciting displays of vision, mission and core values- working with Elfin Bow.

Provide further opportunities for staff to monitor and share good practice in a wider range of areas.

Continue to implement in-person family engagement sessions, termly.

Re-establish Chatterbox and Incredible Years family engagement sessions.

Further explore suggestions from governors, staff and parents re. school improvement.

Further develop the role of the Governing Body - through training, development and involvement in first-hand monitoring (expand practice).

Increase role of governors in school and Governing Body self-evaluation.

Prepare for phase 2 of the school's development - building extension from January 2023.
